

Sebastián Cardona

Jr. Data Engineer — Python & SQL

scarrdona@gmail.com · +57 315 205 2580 · github.com/realProdigium · linkedin.com/in/franchisium · Colombia (Open to Remote)

PROFESSIONAL SUMMARY

Junior Data Engineer with hands-on experience in ETL pipelines, relational database modeling, and exploratory data analysis on multi-million-row datasets. Built a production-deployed (April 20th) on VPS real-time data pipeline (IoT sensor → MQTT → Python backend → PostgreSQL → WebSocket) as part of a capstone project. Active Software Engineering student at Universidad Cooperativa de Colombia, graduating 2026-August.

TECHNICAL SKILLS

Languages: Python, SQL (PostgreSQL), Bash

Data Processing: Pandas, NumPy, Matplotlib, PySpark

ETL / Pipelines: ETL design, data cleaning & transformation, data quality validation

Databases: PostgreSQL, SQLAlchemy ORM, Supabase, relational modeling

BI / Reporting: Power BI, Advanced Excel

Cloud: GCP (Google Cloud Platform)

Streaming: MQTT / aiomqtt, WebSockets, real-time data pipelines

ML (basic): XGBoost, Scikit-learn

DevOps: Docker, Git, GitHub, Ubuntu / Linux, VPS

PROJECTS

Real-Time IoT Data Pipeline Web — CO₂ Monitoring | *Capstone Project · Production*

[Python · FastAPI · PostgreSQL · SQLAlchemy · MQTT/aiomqtt · WebSockets · VPS]

- Designed and implemented a real-time streaming data pipeline: ESP32 sensors → EMQX broker (MQTT) → Python backend → PostgreSQL → clients via WebSocket, with end-to-end latency under 1 second.
- Modeled a relational PostgreSQL database (Records, Users) with FK relationships and connection pooling using SQLAlchemy ORM.
- Built an async data ingestion module with aiomqtt, including error handling, reconnect logic, and structured logging.
- System deployed on a Hostinger VPS with HTTPS, REST API with OpenAPI documentation, and role-based access control (RBAC).

EDUCATION

B.Sc. Computer Science (Ingeniería de Sistemas)

Universidad Cooperativa de Colombia · In Progress — Expected 2026

LANGUAGES

Spanish: Native

English: Intermediate — Fluent technical reading & writing
